Bill Allowing City to Pays Him His Salary and for Back Pay.

(Special to The Bulletin.) Hariford, April 21. Judge John H. Barnes was here this afternoon to appear before the committee on cities and boroughs is support of the measure which he has re-drawn and which will permit the city of Norwich not only to pay its milk inspector, Dr. Wilonly to pay its milk inspector, Dr. Wil-bur Chappell, a salary from the pass-age of the measure, if it passes, but also to pay his back salary. Dr. Chap-pell was himself on hand to make a statement to the committee. This matter has been before a com-

mittee before, but not this committee. Mr. Barnes' first blh affected every milk inspector in the state, being a general affsir, and was not retroactive, and was referred to the committee on public health and safety, which objected to handling it after a hearing had been given Judge Barnes and the de-diclencies in the measure pointed out, and turned it over to cities and bor-

re-draft it, and has done so, and to-day's hearing by the second commit-tes is the result. There is little doubt of the passage of the measure in its present form. Indeed, it is already asresent form. Indeed, it is already as-ared that the committee on cities and oroughs will report it favorably.

FOR THE CHOIR BOYS. and Bungalow Will Be Erected.

Papers were passed Tuesday whereby Christ Episcopal church has become owner of a lot at Pleasant View.
The land was purchased of J. D. Haviland, and a bungalow for the choir boys
of the church will be erected this
summer.
The raising of a fund has been under way for some time, and \$50 was
added by the recent dance, warranting
the building of the proposed bungalow
at Pleasant View, where the site of
the camp has been picked out, and
work on the structure will soon be begun. The plans are for a large living
room on the lower floor and a dormitory on the second floor. The choir
boys will be taken down there in July
and will spend that month at their
camp. There will be accommodations
for 35 boys and 11 men.

The boys have worked hard to increase their fund and they aer looking
forward to some rare sport when their
new camp is opened.
